HEALTHY BYTES

WANT TO DOUBLE YOUR WEIGHT LOSS?

(from the Full Plate Diet Newsletter)

Sure you do...who wouldn't? Well you can do this without having to buy anything, muster up your willpower or starve yourself. And you already have the needed skill to make it happen.

So what is that needed skill? You have to be able to write. No problem, right? You can write. That means you can double your weight loss.

Researchers from Kaiser Permanente's Center for Health Research followed 1,685 overweight and obese men and women for five months. They were asked to follow a certain diet and to write down what they ate every day, in other words, keep a food diary.

The researchers discovered this simple but profound truth: the more participants recorded what they ate, the more weight they lost. Those who did not track their food intake lost about 9 pounds by the end of the study, while those who wrote down what they ate, at least six days a week, lost 18 pounds---twice as much! (*American Journal of Preventive Medicine 35:2, 2008.*)

Amazing. Such a simple thing to do. If you don't track what you eat, give it try. You have twice as much weight to lose and none to gain.

CHURCH FINANCE 101

"WHAT DOES OUR BUDGET INCLUDE?"

(Third in Series)

Budgets are never on the New York Times best selling list for reading, but they are an important part of planning and keeping our church moving in the right direction. It allows for the allocation of limited financial resources for critical needs. While you might not think of “**Water and refuse**” as a ministry, think about their importance to the overall operations of our church facility and fellowship ministries.

The table below summarizes amounts we pay monthly out of our local church budget:

Expense Category	Monthly Amount
Mortgage payments for our facility	\$13,383.55
Salaries for the secretary, treasurer, bulletin secretary, & musicians (incl. tax)	4,200.00
Janitorial	1,600.00
Electric and gas utilities	1,000.00
Phones, internet, yellow page advertising	450.00
Water and refuse	350.00
Storage rent	360.00
Office supplies	150.00
Sabbath school literature (quarterlies, Little Friends, Primary Treasurer, etc.)	400.00
Sabbath school program props & materials (for our children's divisions)	300.00
Landscape maintenance	350.00
Subsidy to Fresno Adventist Academy for their operations	3,475.00
Assistance with tuition for some students at the Academy from our church	1,200.00
Vacation Bible School during the summer (monthly allocation)	300.00
Expenses related to our Shaver Lake outings in August (monthly allocation)	60.00
Building maintenance and repair	1,500.00
Social events during the year (monthly allocation)	85.00
Insurance	350.00
Total	\$29,513.55

I remember years ago when our monthly budget was \$2,800.00, a tenth of what it is now. As you can see, we've grown considerably and the Lord has blessed us. Thank you for prayerfully considering what you can do to help us meet our monthly expenses. To keep our ministries moving forward, the items outlined above are very necessary in the fulfilling of our mission here at Sunnyside.

Treasurer
