MISSIONARIES OF THE BLIND

Would you like to join the MOB and visit a blind person? Christian Record Services (General Conference institution) provides large print, Braille, and audio materials to 18,000 blind people spread across the United States. Christian Record is looking for church members who would be willing to visit these blind people. Christian Record would give you the name of a blind person in your area who is receiving Braille, large print, or audio materials, then you would visit or call that person once a month to see how they are enjoying the materials, to encourage them, pray with them, and invite them to church. This is called the Missionaries of the Blind program. If you would like more information on how you can visit or call a blind person in your area, visit the MOB website at mob.christianrecord.org, or email mob@christianrecord.org, or contact Christian Record's Personal Ministries Department at (402) 488-0981, ext 246.

Romans 8:38-39 (New King James Version)

For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.
