## HEALTHY BYTES

**WHAT ARE YOU PUTTING ON YOUR SKIN?** What we put on our skin ends up in our bodies. If your lotions, creams, and soaps have chemicals in them, those chemicals will end up in your body. If you wouldn't eat your lotions, don't put them on your skin. For a great natural beauty facial, watch this short video:

<http://www.fromheretolongevity.com/index.aspx?DN=120,87,1,Documents>.

Using ingredients like liquid vitamin C, rice bran, lemons, and olive oil (my personal favorite is coconut oil) you can have a very inexpensive, natural facial that feeds your skin and prevents wrinkles.

For more info on healthy solutions contact Gale at  
974-2459 or email at [gale4health@comcast.net](mailto:gale4health@comcast.net)

Join Gale's "Healthy Eating" cooking class every 2nd Monday of the month at 7pm.

## Words of Wisdom from Eleanor Roosevelt...

Many people will walk in and out of your life,  
but only true friends will leave footprints in your heart.

To handle yourself, use your head; to handle others, use your heart.

Anger is only one letter short of danger.

If someone betrays you once, it is his fault;  
if he betrays you twice, it is your fault.

He who loses money, loses much;  
he, who loses a friend, loses much more; He, who loses faith, loses all.

Learn from the mistakes of others.  
You can't live long enough to make them all yourself.
