## PASTOR'S NOTES

### **NO POTLUCK THIS SABBATH**

The potluck committee is on summer hiatus. Thank you to everyone who works so hard each month planning and organizing these lunches – you deserve a break!

### **UPDATE ON RENOVATION**

The church offices in the new church facility are nearing completion. Desks, countertops, filing cabinets, doors, and lighting fixtures were installed this week. Workers also laid a lot of concrete in the parking lot around the main entrance. Interior walls are being painted and the sanctuary space is beginning to look like a sanctuary.

We're fortunate to have Bill Clark supervising this project. He doesn't let the crews get away with anything short of excellence. I'm very impressed with all of the Clark's (Bill, Ruth and Gary) professionalism and they way they are running this project.

### **FAA GRADUATION**

This is graduation weekend at Fresno Adventist Academy. Eight-grade graduation is tonight and Convocation, Baccalaureate, and Commencement for the high school will be held over the weekend.

### **ALEXA BURKHART BAPTISM**

Congratulations to Alexa Burkhardt, who is graduating from FAA this weekend and getting baptized on Sabbath. The baptism will be in the Kings River, just below Pine Flat Dam, where the water feels like 33 degrees. This pastor will definitely be wearing a wetsuit.

## HEALTHY BYTES

**WHERE’S THE BEEF?** Spending the extra on free-range, organic meats is worth the cost to your health. Not only are we as a nation eating more junk food and getting junky health, we’re also feeding junk foods to the animals that produce our food. It’s not the beef that’s bad for you; it’s what the beef cattle eat that make it bad.

## Why You Should be Thankful

*(submitted by Judi Krogstad)*

If you woke up this morning  
with more health than illness,  
you are more blessed than the  
million who won't survive the week.  
If you have never experienced  
the danger of battle,  
the loneliness of imprisonment,  
the agony of torture or  
the pangs of starvation,  
you are ahead of 20 million people around the world.

If you attend a church meeting  
without fear of harassment,  
arrest, torture, or death,  
you are more blessed than almost  
three billion people in the world.

If you have food in your refrigerator,  
clothes on your back, a roof over  
your head and a place to sleep,  
you are richer than 75% of this world.

If you have money in the bank,  
in your wallet, and spare change  
in a dish someplace, you are among  
the top 8% of the world's wealthy.  
If your parents are still married and alive, this is very rare,

If you hold up your head with a smile  
on your face and are truly thankful,  
you are blessed because the majority can,  
but most do not.

If you can hold someone's hand, hug them  
or even touch them on the shoulder,  
you are blessed because you can offer God's healing touch.

If you can read this,  
you are more blessed than over  
two billion people in the world  
that cannot read anything at all.

You are so blessed in many ways  
you may never even know.
