## PASTOR'S NOTES

### CHURCH OFFICE IS MOVING

Yesterday, the city inspectors gave us permission to occupy the office space in our new church. We are moving the church office into the new facility this coming Sunday (yes, we're moving on Father's Day). If you would like to help with the move, please meet at the old church office at 9 AM. Our first day of business in the new space will be next Monday. However, the phone lines in the new offices will not be in operation until Wednesday, so please call us on our cell phones if you need to reach us on Monday or Tuesday (Angela: 994-5502; Dennis: 647-9485; Calvin: 367-7026). The phone and fax numbers for the church office will remain the same. The new address is 5375 N. Maroa Ave.

### REMODEL UPDATE

Every time I stop by the new church there is noticeable progress. In addition to the completion of the office space, the entire interior is almost completely sheet rocked. The baptistery is in place and the foyer is starting to feel like a foyer. This week, several of our church members are working side-by-side with the construction crews. Bruce Eckhart, Wil Reimer, and Bruce's father are laying tile in the bathrooms. Ron Estep, Todd Bristol, and Dave Smith are priming and painting the exterior. At this point, we are on schedule to begin worshipping in our church in August.

### FUNDRAISER

To help pay for all the work being done on our church, there will be a fundraiser in the Hope Community Center on Sunday, from 5 to 8 pm. It will include a concert by Sunnyside Grace, refreshments, and an auction.

### YOUTH PASTOR FUND

One of the consequences of raising funds for our new church is that giving to other ministries at Sunnyside has inevitably decreased. The one that particularly concerns me is the Youth Pastor Fund. It is currently at \$18,790, which is the lowest it has ever been. I'm told by our church treasurer that approximately 70% of our congregation is contributing to the building fund, which is very much appreciated. Among the remaining approximately 30%, I realize that there are some who have not contributed because they were not in favor of the decision to buy a new church or to remodel it. If you are one of those, would you consider making a donation to the Youth Pastor Fund? Ministry to our young people has always been one of Sunnyside's top values, even more important than owning our own facility. If you are one who has not given to the church building for personal reasons, please consider supporting the youth ministry so that we can keep it going strong during this time that we focus our fundraising on the new church. I would hate to see us come to a point where we can no longer pay a Youth Pastor to minister to our young people.

### 500 MEMBERS

Sunnyside recently crossed the 500-member mark. Our official membership now stands at 501.

## HEALTHY BYTES

Beans and lentils are higher in protein and fiber than any other vegetable. Beans are also high in the brain-building nutrient folic acid and the brain-relaxing nutrient tryptophan, and are a good source of B vitamins, calcium and many minerals, especially potassium and magnesium - the blood-pressure-regulating nutrients. Lentils are the legumes with the most protein, fiber, and folic acid.

### New Drivers License

A young man comes home and says "Dad, just got my driver's license and would like to use the family car." Father replies, "O.K., son. But, first, you have to get good grades in school, keep your room clean, make the yard is neat, and cut your hair. Come back in a few months and then we'll see."

Well, several months pass and the young man comes into the house with his report card in his hand. "Dad, I got great marks on my report card. I've been keeping my room as neat as a pin, and the yard is always ship-shape. How about letting me use the car?" Father replies, "That's all true, but son you didn't cut your hair." Son says, "But, dad, Jesus had long hair." Father replies, "Yes, son, you're perfectly right. And he walked everywhere he went."

### 10 Things You'll Never Hear a Dad Say

10. Take my wallet and GO CRAZY shopping.
9. No son of mine is going to live under this roof without an earring. Now quit complaining and let's go to the mall.
8. Here honey, you use the remote.
7. Well, how 'bout that? I'm lost! Looks like we'll have to stop and ask for directions.
6. Your Mother and I are going away for the weekend ...you might want to consider throwing a party.
5. Whaddya wanna go and get a job for? I make plenty of money for you to spend.
4. Hey, let me hold your purse while you try that on.
3. Let's watch the Lifetime Channel tonight!
2. Well, I don't know what's wrong with your car. Probably one of those doo-hickey thingies.

and the Number 1 thing you'll never hear a Dad say:  
When I was growing up, we had it so easy!
