PASTOR'S NOTES

CHURCH RENOVATION UPDATE

I stopped by the new church today and found Justin Priest installing the ceiling in the sanctuary. I also found Bruce Eckhart in the women's restroom...laying tile with his father. Bruce is taking two weeks of vacation time from work in order to lay tile and flooring in the church bathrooms and mothers' room. By the way, Bruce is looking for some people to help him this coming Sunday. If you are available and interested in helping with the flooring on Sunday, please contact Bruce at 978-0544.

MARIA SMITH (MITCHELL) SURGERY

Maria underwent surgery on Tuesday to repair her C2 vertebrae. It involved a bone graft and installation of a metal plate. The surgeon called it a success. The surgery was performed at UC San Francisco. She will remain there for two weeks for observation before coming home.

BEN LIU SURGERY

Ben is in surgery today to have a metal plate installed in his noggin. This is (hopefully) the last of several surgeries needed to help him heal from the head trauma he sustained in a bicycle accident last year.

HEALTHY BYTES

Oatmeal is rich in protein, fiber, vitamins, and minerals. It also lowers blood cholesterol. The fiber in oatmeal is effective in slowing the absorption of carbs and steadying blood sugar fluctuations. Use real oatmeal, not the instant stuff, which has some of the fiber and the vitamin-mineral-rich bran layer removed.
