

## PASTOR'S NOTES

### FUNDRAISER RESULTS

The Sunnyside Grace Benefit Concert and Fundraiser last Sunday night raised \$10,000! Thank you to Mike and Patricia Ford, Bud and Dianne Dickerson, Sunnyside Grace, and everyone who gave their time and talents to raise money for our church. Also, thank you to all who came and opened up their purses and pocketbooks.

### THE LOANS ARE HERE

The monies from both the Pacific Union and Adventist Credit Union loans are now in our bank account. This means we now have the funds on hand to pay for the remaining work and supplies necessary to get us into our new church in August.

### RENOVATION PROGRESS

The church office is now up and running in the new facility. Thank you to all who came out last Sunday morning to help us move. Also, a big thank you to Gary Shimmin and Ben Liu for installing phones, DSL, and WiFi.

Bruce Eckhart and his crew (Bruce's dad, Eric Eckhart, and Wil Reimer) have laid a good portion of the tile in the men's and women's restrooms. Several of our members who are helping Bruce have commented on how good it looks and the high level of Bruce's craftsmanship.

The crews are nearly finished texturing and painting the inside walls of the sanctuary and classrooms. Our stellar volunteer painting crew of Todd Bristol, Dave Smith, Ron Estep and Bob Isaacs have painted 75% of the building's exterior. It is a grueling job working in the heat and having to reach high places. If you want a laugh, ask them to tell you about having their crane stop working while suspended in the air and nobody on hand to get them down.

### GENERAL CONFERENCE IN SESSION

The 2010 World Session of the General Conference of Seventh-day Adventists is now underway. The session, which is held every five years, is being held in Atlanta. To follow the session, go to <http://news.adventist.org/>.

## HEALTHY BYTES

The brain is the organ most affected by what we eat. It burns about 25 percent of the food energy (mostly carbs) we consume. So, it needs a *right* carb diet. Because the brain is 60 percent fat, it also needs a *right* fat diet. The word *fathead* can be a compliment.

Omega-3s are to the brain what calcium is to the bone.

Jesus told the parable of the Good Samaritan in response to the question, "who is my neighbor?" Just prior to that, another question was asked, "what must I do to have eternal life?" In other words, how we deal with our neighbors has eternal consequences. In a world where hate dominates and raises barriers on every hand, where the meaning of neighbor has shrunk to indicate our kind, our friends, our ethnic group, we as Christians must always remember that Christ has urged us to show the world that love has no boundaries or limits.
