PASTOR'S NOTES

PASSING OF DAVID DAGGS SR.

David Daggs Sr. passed away on Monday. He was 72 years old. There will be a viewing on Thursday, from 2 – 8 PM, at Jay Chapel, 1121 Roberts Avenue, in Madera. A graveside service will be held on Friday, at 1 PM, at Arbor Vitae Cemetery, 1301 Roberts Avenue, in Madera.

ELAINE NELSON

Elaine had gall bladder surgery in December. During her stay in the hospital she contracted pneumonia and had to be re-admitted for treatment. She is now recovering at home.

POTLUCK

We're having potluck this Sabbath in the fellowship hall, immediately following the worship service. Please see the bulletin announcement for more information.

SIERRA VIEW PRESBYTERIAN

This weekend we begin sharing our church facility with our new tenants, Sierra View Presbyterian Church. They will occupy it on Sunday mornings, Sunday evenings, and Thursday evenings.

ROD TURLEY

If you see Rod Turley, thank him for the all the work he is doing as head of the Facilities Committee. Rod spends a lot of time here at the church trouble-shooting problems, making repairs, and overseeing upgrades. Since we've never had our own facility before, we didn't know what the position entailed. It is turning out to be a lot bigger than any of us realized. Thanks, Rod, for taking it on and doing a great job!

YOUTH PASTOR FUND

Our Youth Pastor Fund is starting to get a little low. That isn't too surprising considering the expenses of our new church facility and the current economy. Nevertheless, the Youth Pastor Fund is THE source from which we pay our Youth Pastor. If it dries up, we won't be able to have a Youth Pastor. If continuing ministry to our Youth is a priority to you, please consider contributing to the Youth Pastor Fund.

HEALTHY BYTES

WATER! (PART III)

Dieters and non-dieters alike must establish a "fluid balance" where water going into the body approximately equals the amount being excreted. When you reach this balance point, you will see what an incredible difference water can make in your weight control program. Pounds and inches begin to disappear.

Trying to solve the problem of fluid retention by drinking less water only aggravates matters, because it (retention) occurs even when you drink no water. If you don't drink more water after salty food, your body pulls water from your intestines and bowel to dilute the extra sodium. If you drink more water, you force stored water out of your body through the kidneys.

What about diuretics? Diuretics force stored water out of your body. The problem is that your body perceives this as a lack of necessary water and stores whatever is available. So unless you are drinking enough water, diuretics won't usually solve the problem of retention. Diuretics can also cause constipation by draining water from the colon in order to distribute it around your body, because not enough water is available. Thus, without enough water in the colon, your stools can become dry and hard.

Thank you...to Janet Cotton-Rhoads & the Sunnyside Church Family,

Thank you so much for providing hot meals for the all-volunteer crew and families involved in the movie filming for the Hopes and Dreams Project. This was such an incredible experience for Mason and I, and I know the other families with children in crisis were also very touched to know the community, including our church, had pulled together to make this movie happen. We will let you know when they hold the movie premiere this spring!

THE LAST WORD

What some have said about Friendship...

Ralph Waldo Emerson: Trust men and they will be true to you; treat them greatly, and they will show themselves great.

Evelyn Waugh: We cherish our friends not for their ability to amuse us, but for ours to amuse them.

Benjamin Franklin: We must indeed all hang together, or most assuredly we shall all hang separately.

Frank Swinnerton: We would rather be in the company of somebody we like than in the company of the most superior being of our acquaintance.

George Eliot: What do we live for, if it is not to make life less difficult for each other?

Henry Ford: My best friend is the one who brings out the best in me.

Lee Iacocca: My father always used to say that when you die, if you've got five real friends, then you've had a great life.

Emily Dickinson: My friends are my estate.

Elbert Hubbard: Never explain - your friends do not need it and your enemies will not believe you anyway.
